

**CAPABILITY STATEMENT**

[WWW.IWESTGROUP.COM](http://WWW.IWESTGROUP.COM)

**50% of all IT projects fail.** This is an industry average, but not for InterWest.

Our No Fail Implementation policy inspires a mindset of confidence and reliability unmatched in our current IT industry. We are committed to honest and open communication with innovative but realistic planning and leadership. For 23 years InterWest has demonstrated exceptional competence building and supporting scalable data-driven applications for enterprise corporations and government agencies.
